

Thinking of living in a retirement village?

The Commission for Financial Capability is holding a free public seminar on Tuesday 15 August 2017 at the Hamilton Workingmen's Club, 45 Commerce St, Hamilton, Waikato, starting at 6:00pm – 7:30pm

The seminar will be of interest to anyone thinking of living in a retirement village (and their support people, family). We discuss, neutrally and objectively, some of the personal, legal and financial matters in making the decision to become a village resident or not.

These are free events, and materials (and tea) are provided to registered attendees – so people must register.

Full details of our events and how to register on-line are here:
